

GUADALUPE TIMES

SUMMER 2022

In Loving Memory of Anna Reid

We've featured Anna's story many times in recent years, and it is with heavy hearts that we share the news of her passing. Anna was an adamant supporter of our mission and spoke highly of our patients.

Over twenty years ago, she was a patient of ours and experienced the challenges and uncertainties the uninsured face every day. After regaining her health, Anna studied to become a nurse and gave back whenever she could.

As a registered nurse and nursing instructor at Pratt Community College, Anna regularly brought her students to the Clinic for hands-on experience with the underserved. In addition, she filmed a testimonial video for the Clinic, which we share often. In the video, Anna said, "I contacted the Guadalupe Clinic and was immediately scheduled for an appointment. From the time I stepped through the front door, I felt welcome. They showed a lot of compassion. The care was tremendous; they met all my needs and took care of my situation. I healed. I got better. That was my experience with Guadalupe Clinic."

Anna went on to say, "I wanted my students to see that there is a population out there that has needs. So I thought Guadalupe Clinic

would be an excellent clinical experience for my students. And it was. We had a great rotation. The clinicians, nurses, pharmacists, and staff were good examples for my students to see.

"They need to be able to feel your heart reaching across to them. I believe, particularly as a nurse myself, that is how we heal. As a Christian woman, I also believe that is what we're all here for. We share one another's burdens."

Anna's contributions to our community, the Clinic, and our patients' lives were a testament to her strength and faith. From the time she came to us as a patient to the many times she helped those in need, Anna knew the importance of serving others.

Our thoughts, prayers, and deepest condolences are with Anna's family and friends during this difficult time.

Mission

As missionary disciples of Christ, and with other people of good will, Guadalupe Clinic works to provide access to quality health care for people in need.

Save the Date for our 2022 Bikes and Breakfast

Guadalupe Clinic's 3rd annual Bikes and Breakfast is scheduled for Saturday, September 24th. Join us for an eight-mile ride from our South St. Francis clinic to our South Hillside location (and back), followed by breakfast tacos and a social. A longer, 35 mile ride will leave earlier in the morning, and end back at the Clinic to join breakfast. Tours are available for anyone looking to see the Clinic and our new vision room.

Registration will be available online, and for a \$5 donation you will receive a gift, breakfast, and the ride!

Stay tuned for more information.

ENT Services Prove Fruitful for Patients

Since the beginning, Guadalupe Clinic has worked to provide access to quality healthcare for people in need. To increase our capacity to see more patients, we expanded our hours, opened additional locations, renovated our facilities to add exam rooms, and increased the number of providers offering primary and specialty care. As our capacity grows, so does our ability to provide comprehensive healthcare to the poor and uninsured.

In the last issue of the Guadalupe Times, we spotlighted Dr. Glenn Kubina, providing ENT care to our patients, a specialty from which many patients will benefit. A recent example

is our patient, Rob, who scheduled an appointment with Jennifer Larsen, PA. During his visit, Rob expressed concern over problems with his throat. Dr. Kubina saw patients during the same shift and made time to see Rob and immediately address his needs.

While our schedule does not always allow for walk-in appointments or for patients to be seen immediately by a specialist, in this instance, it worked out! Our list of specialists continues to grow, and we greatly appreciate the time and talent they share to improve the health of our patients.

Baseball is back in 2022

Join us as we partner with the Wichita Wind Surge again in 2022 for Guadalupe Clinic's annual baseball fundraiser!

One of our most dedicated supporters, Dr. James Loeffler, valued our mission to the extent that he created a baseball fundraiser to benefit our patients. Dr. Loeffler worked diligently every year to ensure the event's success, and over 30 years later, his legacy lives on. This annual fundraiser has raised thousands of dollars supporting quality healthcare.

We also take the opportunity to celebrate our volunteers and staff during this fun evening, which is set for Friday, August 19th at 7:05 PM. Tickets are available on our website and at local parishes during July and August. Tickets are \$10 for a seat on the field's berm and can be upgraded through the stadium's box office prior to the game. This year there will be a fireworks display following the game, so be sure to bring a blanket and stay for the show!

Visit our website www.GuadalupeClinic.org and click on the event page for more information.

Friday, August 19th
Game starts at 7:05pm

\$10 tickets for berm seating

Join us after the game for fireworks!

Net	\$ 307,317	\$ 106,563	\$ 47,933	\$ 211,854	\$ 252,052

Above is a five-year summary of Midwest Winefest's financial performance by fiscal year (July 1st through June 30th). As you can see, transitioning our focus to the Walkabout and Reserve Room events has lowered expenses and increased our dollars raised.

* Due to COVID-19, our 2020 events were canceled. Some expenses were accumulated due to prior commitments and contracts already initiated for the events, and sponsorships pledged in 2020 were carried over (at the sponsors' request) to 2021 events. Our virtual raffle in September was to benefit the following year (2021 FY).

When you shop Amazon, designate Guadalupe Clinic to receive rewards at no cost to you!

Midwest Winefest

Midwest Winefest was a success, yet again, in 2022. Together, we raised over \$250,000 to support the mission of Guadalupe Health Foundation and the patients of Guadalupe Clinic.

Thank you to our sponsors who believe in our mission and support healthcare for the uninsured and working poor.

Thank you to the restaurants and venues who donated their time, staff, spaces, and fabulous samples to this event. We could not do it without you.

Thank you to the hundreds of volunteers who come together to make this event happen. From set up to tear down, you are the force behind our Old Town Walkabout and we so appreciate your help.

Thank you to those who bought tickets this year to any of our events or raffles, and thank you to those who participated in our live and silent auctions. Whether you've attended for years despite the changes we've made or if this was your first time ever attending the Walkabout or Reserve Room, thank you.

Thank you to Rusty Eck Auto Group for partnering with us this year, and for donating \$30,000 toward a car. Congratulations to Scott Ragatz for picking the winning key!
